

HB 84 & SB(s) 24 & 63

The pending bills before the Alabama Legislature listed above are confusing pertaining to which licenses would be exempt. These bills, if passed, would only exempt certain business from being required to obtain a **MASSAGE THERAPY ESTABLISHMENT LICENSE**. This would **NOT** exempt anyone from obtaining a massage therapist license who is performing or offering massage therapy services to the public. Please do not hesitate to contact me should you have any questions.

Thanks!
